Dear Stakeholder

Consultation: Proposed Admissions Arrangements 2022/23

We are consulting on our proposed admission arrangements for 2022/23 for The Snaith School, a copy of which has been attached, and is also displayed on our trust and school websites.

We are consulting on our proposed admission arrangements for Driffield School and Sixth Form to reduce the Published Admission Number from 336 school places to 240 school places.

**What reasons are being proposed for the change?**

- The school/Governing Body believe the change would deliver the certainty and stability in regards to staffing and curriculum planning which the school currently requires;
- The school/Governing Body have made clear that the physical accommodation and built capacity of the school will not be reduced in such a way as to make the decrease irreversible in future years. All spaces that can be used as classrooms and teaching spaces may be used alternatively when not required as classrooms, but all shall be retained as potential future classrooms for the future needs of children in the relevant communities; and
- The school/Governing Body have indicated a wish to review and increase the admission number again in future when the level of demand for the school is higher. This may be when there is more demand from within the schools existing catchment area, or from new homes within the catchment area or from within the wider Driffield area in future years

As part of our consultation, we are keen to hear your views. The period of consultation will open on 4 December 2020 and will close on 29 January 2021.

Please submit your views either:

- by email to [Francesca.roper@theeducationalliance.org.uk](mailto:Francesca.roper@theeducationalliance.org.uk)
- or in writing to

F Roper
