POLICY STATEMENT

We are here to make great schools and happier, stronger communities so that people have better lives. We do this by:

- Always doing what is right
- Trusting in each other and standing shoulder to shoulder
- Doing what we know makes the difference

Doing what is right means always acting with integrity, in the interests of others and being honest, open and transparent.

1. PURPOSE AND SCOPE

The Local Government Pension Scheme (LGPS) in England and Wales was amended from 1 April 2014. The amendments ensure that benefits for service after 31 March 2014 build-up on a defined benefit career average revalued earnings (CARE) basis, rather than on a defined benefit final salary basis. The provisions of the CARE scheme, together with the protections for members' pre-1 April 2014 final salary rights, are contained in the Local Government Pension Scheme Regulations 2013 [SI 2013/2356] and the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014 [SI 2014/525].

The Trust is committed to the principles of equality and wishes to minimise the risk of discrimination claims through a fair, appropriate and transparent statement of policy.

This statement of policy applies to employees of the trust who are members of the LGPS.

2. ROLES AND RESPONSIBILITIES

The **CEO** is responsible for ensuring the trust's statement of policy for The Local Government Pension Scheme Regulations (LGPS) 2013 and the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 are accessible, and that decisions are made and reviewed in line with the policy.

The **Trust Board** is responsible for ensuring that the Trust adheres to The Local Government Pension Scheme Regulations (LGPS) 2013 and the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014. Any Trustee with a direct or indirect pecuniary interest will be asked to withdraw when pension's discretions applications are being discussed (unless the Board of Trustees determines otherwise) and must not, in any case, participate in such discussions or vote on any such issue.

The **Finance Director** will ensure that pension discretion decisions and reviews follow the correct processes and that due regard is given to fairness, equity and sustainability.

The **Head of School** in each school will have oversight of pension discretions decisions for employees within their respective schools.

The **Human Resources, Payroll and Finance Departments** are responsible for overseeing the development, review, implementation, communication, monitoring and evaluation of this policy and associated policies and procedures and will report to the CEO and Board of Trustees as required. The Human Resources and Finance Departments will work together to ensure that this policy is implemented fairly and consistently.

Staff are expected to familiarise themselves with the Trust's policies and procedures and for making an application for any of the LGPS discretions to be considered.

3. EQUALITY AND DIVERSITY

The Education Alliance is committed to:

- Promoting equality and diversity in its policies, procedures and guidelines
- Ensuring staff are protected from unlawful direct or indirect discrimination resulting from a protected characteristic (e.g. age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).
- Delivering high quality teaching and services that meet the diverse needs of its student population and its workforce, ensuring that no individual or group is disadvantaged.

4. LGPS DISCRETIONS

The Education Alliance has resolved that the following discretions available in the above Statutory Instruments should be implemented in compliance with Regulation 60 of the LGPS Regulations 2013 and paragraph 2(2) of Schedule 2 of the LGPS (Transitional etc.) Regulations 2014 as set out below:

REGULATION 16(2)(e) and 16(4)(d)	POLICY DECISION
<p>Discretion of employing authority to decide to pay towards the cost of Additional Pension Contributions (APCs)</p> <p>Where an active scheme member has decided to make Additional Pension Contributions (APCs) to purchase extra pension benefits (up to £6,500 per annum), the employer can resolve to voluntarily contribute towards the cost of this.</p> <p>Note: This does not include instances where the employee is paying for lost pension via an APC where the election was made in the first 30 days – here the employer must pay two-thirds of the cost of such purchase</p>	<p>Option 1</p> <p>The trust will not make use of the discretion to voluntarily contribute towards the cost of purchasing extra pension via a Shared Cost Additional Pension Contribution (SCAPC).</p>
REGULATION 30(6)	POLICY DECISION
<p>Flexible Retirement</p> <p>Employers may allow a member from age 55 onwards to draw all or part of the pension benefits they have already built up whilst still continuing in employment. This is provided the employer agrees to the member either reducing their hours or moving to a position on a lower grade.</p> <p>In such cases, pension benefits will be reduced in accordance with actuarial tables unless the</p>	<p>Option 3</p> <p>The trust will not agree to requests for flexible retirement except in circumstances where it is considered to be in the trust’s financial or operational interest to do so.</p> <p>Where flexible retirement is agreed, the benefits payable will be subject to any actuarial reduction applicable under the Local Government Pension Scheme Regulations and the Local Government</p>

employer waives the reduction either fully or in part (regulation 30 (8)) or a member has protected rights.	Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.
REGULATION 30(8) & PARAGRAPH 2(1) OF SCHEDULE 2 TRANSITIONAL REGULATIONS	POLICY DECISION
<p>Power of employer to waive actuarial reductions on Compassionate Grounds</p> <p>Employers can agree to waive any actuarial reductions due in the case of employees retiring anytime after age 55.</p> <p>Employers have the ability to waive any actuarial reductions, only on compassionate grounds, for pension benefits accrued up to 31 March 2014.</p> <p>If this discretion is used, the employer will pick up the cost of waiving reductions as an immediate strain cost payment.</p> <p>For pension benefits accrued after 31 March 2014, however, the employer has a discretion to waive, in whole or in part (on any grounds), any actuarial reduction that would otherwise be applied to benefits accrued after 31 March 2014.</p>	<p>Option 2</p> <p>Where members choose to voluntarily draw their benefits on or after age 55 and before Normal Pension Age, the trust will not agree to waive in whole or in part, any actuarial reduction that would otherwise be applied to their benefits, except in circumstances where the employer considers it is in its financial or operational interests to do so, or there are compelling compassionate reasons for doing so.</p> <p>Each case</p> <ul style="list-style-type: none"> • will be considered on the merits of the financial and / or operational business case put forward, or • will be considered on the merits of the compassionate case put forward, and • will require approval from an appropriate person with reference to the scheme of delegation and the Director of HR and Governance including, where the reduction is only to be waived in part, approval for the amount of reduction to be waived.
REGULATION 31	POLICY DECISION
<p>Power of employing authority to grant additional pension of up to £6,822 of annual pension</p> <p>An employer may resolve to grant extra pension of up to £6,822 to an active Scheme member or within 6 months of leaving to a member whose employment was terminated on the grounds of redundancy or business efficiency.</p>	<p>Option 2</p> <p>The Trust will not make use of the discretion to grant extra pension of up to £6,822 (figure at 1 April 2018).</p>

<p>Formerly this was only with employer permission and if granted, the employer would have paid any strain cost due if the employee met the 85-year rule.</p> <p>The 85-year rule does not automatically apply to members retiring between 55 and 60, as the facility to retire voluntarily between 55 and 60 is a new facility.</p> <p>The employer has the discretion to 'switch' back on the 85-year rule for employees leaving between 55 and 60, thus removing or reducing any reductions employees would have experienced. In these cases, the employer would have associated strain costs that would have to be paid by the organisation instead.</p>	<p>considers it is in its financial or operational interests to do so.</p>

There are other non-compulsory discretions to consider, and cases where these may arise in the future will be considered on an individual basis. In exercising the discretionary powers available under the above Regulations, the trust must act with due prudence and propriety and consider the financial impact of applying the discretions.
